FEBRUARY 2015 IT IS HARD TO WRITE ALL THAT GOD IS DOING after my last letter, so I just want to give some highlights:

- Thank the Lord for a joyful, united annual congregational meeting with more than a balanced budget and confirmation to have me as pastor for another year. It is now 39 years of love!
- The opportunity to speak about the Lord to 75 people at a funeral...I had know the lady who died from Panama City, but none of them were from our church. Three people desired to buy my book as they left the service.
- Forty leaders from SAMARITAN'S PURSE came to Gamboa to observe the 125 children at the program. It made an absolutely full church and the joy of the Lord with the help of Silvio the Clown. Many received the Lord. All the children were given a shoe-box full of gifts provided by Samaritan's Purse from the USA.
- Youth With A Mission teams from Kona, HI., Brazil and Guyana have led us in ministry at the prison, radio programs, serving projects and the church services. A team of Christian students from the Ben Lippen school in S. Carolina surprised us with special music. It was another full church.
- Several teams have been available for prayer times with people to come forward after the services for needs of all kinds. So much love and excitement....thank you Lord!
- Distribution of tracts and THE JESUS FILM to over 50 people
- Six of our teens at the week long WORD OF LIFE camp here in Panama
- Visit of Dr. Don McCurry for training to use Latin students to reach Muslims for Christ. Don is now 87 years old and had reached and trained thousands to serve the Lord.
- Ana, a blind 19 year old girl from the rural area in Guyana, shared her testimony on my radio program of how she was totally, miraculously healed. Hallelujah!
