SEPTEMBER 2015 HOW CAN GOD ENLARGE YOUR VISION? That question assumes that you have a vision from God and that you want to enlarge it.

To enlarge a vision is to expose people to an area of ministry that they have not experienced before. Several Christian leaders with a vision in their ministry have committed themselves to connect once a month to experience and pray for each other.

Some of them are involved with Youth With A Mission, Campus Crusade, Muslim Ministries, human trafficking, training Panamanians to reach other nations, orphans, inner-city areas, Christian literature provided to public school, child evangelism, 24/7 prayer room, church ; ...and in my case it is prison and radio ministries.

To enlarge our vision does not mean that we all have to do the same thing. Of course not, we are all different and with different gifts and visions. But if I can meet together with others of like mind it will encourage me to see that God is really doing a big move here in Panama. Then we can all pray for others more effectively.

It is not about “me” and “my ministry” but it is all about Jesus. That is the heart of God. When others see the love between various ministries, that serves as a big signal to others that God is on the move.

So, a few weeks ago I shared with some of the network teams who have a vision to join me to meet inside of the prison. The director shared the challenges of leading a men's prison. She shared some of her personal needs and we all spent time praying for her.

Then we went into the chapel area to meet the Christian pastor who is also a prisoner who is serving a 20 year sentence. He shared his testimony of how he was previously a leader in the Panama Defense Force but in a fit of rage he killed his wife and lover. It was during the start of living in some very bad conditions that he gave his life to Christ. His life began to change rapidly and soon the other prisoners wanted him to be the Christian leader. We left with a refreshed vision for our lives.

Do you have a vision for the heart of God? Is it enlarging? Share your vision with others to enlarge their vision and thus to encourage others as well.
